AMERICAN MIDDLE EAST INSTITUTE

The American Middle East Institute (AMEI) is an independent, non-profit organization headquartered in Pittsburgh, Pennsylvania. AMEI is focused on building business, educational, and cultural ties between the United States and the countries of the Middle East and North Africa. We believe that these kinds of connections represent a powerful form of diplomacy.

The Cultural Program is designed as an introduction to the history, language, and culture of Egypt. Beginning, Intermediate, and Advanced Arabic classes (Modern Standard Arabic & Egyptian Dialect) are offered at International House Cairo ILI. Only 12 students will be selected for the program. Accommodations will be in International House Cairo ILI apartments. Students will travel as a group between the US and Cairo.
